Deutsch Aktuell takes students on a journey of discovery. This three-level German program uses the vibrant thread of rich, authentic culture to weave together an engaging real-life experience with the language and the people who speak it. Deutsch Aktuell will challenge your students, keep them engaged, and put them on a path to life-long fluency. From the start, your students will "live the language" through an instructional design that provides: Open-ended, engaging communicative activities; Lively, authentic cultural coverage; Engaging technology components that speak to today's student; Intensive, varied practice opportunities, rooted in authentic applications. - Publisher.

Suitable for both independent study and class use, this text comprises an accessible reference grammar and related exercises in a single volume.

Told entirely in rhyme, €Max and Moritz€ is a timeless German children's tale about a brother and sister who enjoy pulling pranks on their parents and one another.

In the Wall Jumper, real people cross the Wall not to defect but to quarrel with their lovers, see Hollywood movies, and sometimes just because they can't help themselves—the Wall has divided their emotions as much as it has their country.

DEUTSCH HEUTE successfully develops the skills of introductory German students by maintaining a focus on building listening, speaking, reading, and writing skills. Manageable for two-semester courses, the Tenth Edition covers grammar in a logical sequence. Each chapter contains many function-based activities that focus on specific emotional expressions. Students are introduced to contemporary life and culture in German speaking countries through a cast of recurring characters who appear in the Bausteine für Gespräche (dialogues) and some readings and exercises, as well as in the Student Activities Manual (SAM) and tests. The DEUTSCH HEUTE program includes the iLrn Heinle Learning Center. Everything your students need to master the skills and concepts of the course is built into this dynamic learning environment. The iLrn Heinle Learning Center includes an audio-enhanced eBook, assignable textbook activities, companion videos to accompany the new Video-Ecke section in the textbook, partnered voice-recorded activities, an online workbook and lab manual with audio, interactive enrichment activities, and a diagnostic study tool to help them prepare for exams.
