Spacing tiles correctly is hard. Be sure to use plastic tile spacers to impose the correct distance. While spacers are a pain to remove, they ensure perfect spacing of tile seams. Constantly being on your knees on a hard surface can affect the quality of your work.

## *The Difficulties of Laying Tile*

To hard would thus technically be a prepositional phrase (or at least part of one), while too hard is an adjective phrase. Here's an example of a sentence that used to hard as part of a prepositional phrase: "Chalk it up to hard times and move on with your life," advised Grandpa.

An applicant tracking system, or ATS, is a tool used by over 90% of employers to parse and sort resume submissions. As we detail in our post on how to format your resume for an ATS, "ATS resume scanning software is designed to scan a resume for work experience, skills, education, and other relevant information.". For many workers, the ATS may be a real obstacle to finding a job in 2020.

Hard: Demon's Souls' White and Black World Tendencies The "World Tendency" mechanic of Demon's Souls was a fascinating idea that was implemented awkwardly. Player actions like defeating bosses and invading players would shift the world towards a "White Tendency," where combat was easier but enemy loot and XP drops were smaller.

Hard disks have a hard platter that holds the magnetic medium, as opposed to the flexible plastic film found in tapes and floppies. At the simplest level, a hard disk is not that different from a cassette tape. Both hard disks and cassette tapes use the same magnetic recording techniques described in How Tape Recorders Work. Hard disks
