Ambition needs to be rescued and put to work for God's glory. This book will encourage and embolden believers to pursue their dreams with a godly ambition that seeks more for God and from God.

Many men have the skills to lead a church, but only some are called. Dave Harvey helps men considering pastoral ministry to see God's active role in the process of discerning their calling. God's Word offers a clear framework for evaluating one's call, especially within the context of community. Harvey offers six diagnostic questions to help prospective pastors process their calling, and what they should be doing now if they aren't sure. Illustrated with personal and historical stories, Harvey explores biblical and practical principles for determining the pastoral call. Over the past twenty-four years of ministry, Harvey has enjoyed assisting many men in discerning whether they are called into ministry. This book will guide you through that all-important process with wisdom and confidence in God's faithfulness in your life.

Lasting marriages are built one defining moment at a time. The moment of blame. The moment of weakness. When your spouse suffers. When dreams disappoint. When the kids leave the nest. It's how we think and behave toward one another in moments like these that determines whether our marriage endures or falters. Ultimately, these are invitations from God to consider our direction and pursue transformation. With 37 years of marriage and 33 years of pastoring under his belt, Dave Harvey has identified those life-defining moments of a post-newlywed marriage. He wants to help couples recognize them in their own relationships so that they can take a proactive, godly approach to resolving conflicts, holding one another up as change inevitably happens, and ensuring that their marriage survives and thrives. Whether your relationship is maturing gracefully, just needs a tune-up, or you and your spouse are locked in conflict and your future seems uncertain, Dave Harvey has encouragement and practical tools to help strengthen what remains and build a rock-solid union for the days to come.

What comes to mind when you think of ambition? Many think of ambition as nothing more than the drive for personal honor or fame. As a result, ambition -- the God-implanted drive to improve, produce, develop, and create -- is neglected and well on its way to paralysis. For some, dreams are numbed. For others, there are no dreams; life just happens. And for those who are dreaming, motives are often confused. One thing is certain: ambition needs help. Dave Harvey is calling for a rescue. He wants to snatch ambition from the heap of failed motivations and put it to work for the glory of God. To understand our ambition, we must understand that we are on a quest for glory. And where we find glory determines the success of our quest. Has your God-given ambition been starved and sedated for too long? Are you ambitious? It's time to reach further and dream bigger for the glory of God. - Publisher.

Marriage is the union of two people who arrive at the altar toting some surprisingly large luggage. Often it gets opened right there on the honeymoon, sometimes it waits for the week after. The Bible calls it sin and understanding its influence can make all the difference for a man and woman who are building a life together. When Sinners Say "I Do" is about encountering the life-transforming power of the gospel in the unpredictable journey of marriage. --from publisher description.

Lasting marriages are built one defining moment at a time. The moment of blame. The moment of weakness. When your spouse suffers. When dreams disappoint. When the kids leave the nest. It's how we think and behave toward one another in moments like these that determines whether our marriage endures or falters. Ultimately, these are invitations from God to consider our direction and pursue transformation. Building and Sustaining a Thriving Leadership Culture Essential to every healthy church is a biblical model of leadership. In the New Testament, church leadership is built around a team of elders working together, each bringing his own unique skills and gifts to the cause of shepherding the flock God entrusted to them. However, in many churches today the principle of plurality in leadership is often misunderstood, mistakenly applied, or completely ignored. Dave Harvey encourages church leaders to prioritize plurality for the surprising ways that it helps churches to flourish. This book not only builds a compelling case for churches to adopt and maintain biblical elder pluralities guided by solid leadership but also supplies practical tools to help elders work together for transformation. Biblically and practically instructs church members in ways they can labor for the health of their church. What Is a Healthy

Church Member? takes its cue from Mark Dever's book *What Is a Healthy Church?*, which offered one definition of what a healthy church looks like biblically and historically. In this new work, pastor Thabiti Anyabwile attempts to answer the natural next question: "What does a healthy church member look like in the light of Scripture?" God intends for us to play an active and vital part in the body of Christ, the local church. He wants us to experience the local church as a home more profoundly wonderful and meaningful than any other place on earth. He intends for his churches to be healthy places and for the members of those churches to be healthy as well. This book explains how membership in the local church can produce spiritual growth in its members and how each member can contribute to the growth and health of the whole.

Lasting marriages are built one defining moment at a time. The moment of blame. The moment of weakness. When your spouse suffers. When dreams disappoint. When the kids leave the nest. It's how we think and behave toward one another in moments like these that determines whether our marriage endures or falters. What do you do when someone you love leaves? And how do you pursue someone who has hurt you, who has sinned against you? In *Letting Go*, pastors Dave Harvey and Paul Gilbert share stories of pain and stories of hope as they reveal how to care for the prodigal who has strayed. Whether you are dealing with an unfaithful marriage partner, a rebellious child, or a wayward friend, the counsel they offer will help you to pursue a gospel-rooted approach, grounded in truth and practiced in the midst of Christian community. While each situation is unique, most stories deal with common themes of shame, guilt, confusion, uncertainty, and struggle. You will understand the spiritual dynamics at work in the heart of the prodigal and how you as a family member, spouse, friend, or church leader can best relate to them in love. You will learn how to practice "redemptive release" through confrontation and discipline as well as how to forgive the person who has hurt you through a process of reconciliation. For those in a time of waiting and wondering if their loved one will ever return home, there is a reminder of the hope of the gospel and the necessity of depending upon the Holy Spirit through prayer. A must-have resource for every believer struggling to love the prodigal back home again, it is ideal for parents and siblings, counselors, pastors, and those ministering to hurting families and churches.
