Richard Starks Parker The Hunter Darwyn Cooke — 407

You probably haven ' t ever noticed them. But they ' ve noticed you. They notice everything. That ' s their job. Sitting quietly in a nondescript car outside a bank making note of the tellers ' work habits, the positions of the security guards. Lagging a few car lengths behind the Brinks truck on its daily rounds. Surreptitiously jiggling the handle of an unmarked service door at the racetrack. They ' re thieves. Heisters, to be precise. They ' re pros, and Parker is far and away the best of them. If you ' re planning a job, you want him in. Tough, smart, hardworking, and relentlessly focused on his trade, he is the heister ' s heister, the robber ' s robber, the heavy ' s heavy. You don ' t want to cross him, and you don ' t want to get in his way, because he ' ll stop at nothing to get what he ' s after. Parker, the ruthless antihero of Richard Stark ' s eponymous mystery novels, is one of the most unforgettable characters in hardboiled noir. Lauded by critics for his taut realism, unsapologetic amorality, and razor-sharp prose-style—and adored by fans who turn each intoxicating page with increasing urgency—Stark is a master of crime writing, his books as influential as any in the genre. The University of Chicago Press has embarked on a project to return the early volumes of this series to print for a new generation of readers to discover—and become addicted to. In The Hunter, the first volume in the series, Parker roars into New York City, seeking revenge on the woman who betrayed him and on the man who took his money, stealing and scamming his way to redemption. " Westlake knows precisely how to grab a reader, draw him or her into the story, and then slowly tighten his grip until escape is impossible. " —Washington Post Book World " Elmore Leonard wouldn ' t write what he does if Stark hadn ' t been there before. And Quentin Tarantino wouldn ' t write what he does without Leonard. . . . Old master that he is, Stark does all of them one better. " —Los Angeles Times " Donald Westlake ' s Parker novels are among the small number of books I read over and over. Forget all that crap you ' ve been telling yourself about War and Peace and Proust—these are the books you ' ll want on that desert island. " —Lawrence Block

Betrayed by the woman he loved and double-crossed by his partner in crime, Parker makes his way cross-country with only one thought burning in his mind - to coldly exact his revenge and reclaim what was taken from him! The Hunter and The Outfit tell the story of Parker, Richard Stark's classic anti-hero, as he returns to New York to settle the score with his wife and partner in crime after they betray him in a heist gone terribly wrong. After evening the field and reclaiming his prize, the Outfit decide to do some score settling of their own...and learn much too late that when you push a man like Parker, it had better be all the way to the grave. Also contains the short stories The Man With the Getaway Face and The Seventh.

In 1962, Donald E. Westlake, writing under the pseudonym Richard Stark, created what would become one of the most important and enduring crime fiction series ever produced - Parker. Westlake wrote more than 20 Parker novels, many considered classics of the genre, and a number of which have transitioned to the big screen. Most notable of these is Point Blank, directed by John Boorman and starring Lee Marvin, released in 1967. Westlake received many accolades during his distinguished career, including being named a Grand Master by the Mystery Writer's of America, that prestigious organization's highest honor. Darwyn Cooke has adapted four Parker books as graphic novels so far. The first three, The Hunter, The Outfit, and The Score have all won Eisner and Harvey Awards. He will be providing all-new color illustrations for The Hunter, the first in a series of hardcover prose novels released in chronological order and featuring Cooke's art. Bank robberies should run like clockwork, right? If your name ' s Parker, you expect nothing less. Until, that is, one of your partners gets too greedy for his own good. The four-way split following a job leaves too small a take for George Uhl, who begins to pick off his fellow hoisters, one by one. The first mistake? That he doesn ' t begin things by putting a bullet in Parker. That means he won ' t get the chance to make a second. One of the darkest novels in the series, this caper proves the adage that no one crosses Parker and lives " Whatever Stark writes, I read. He ' s a stylist, a pro, and I thoroughly enjoy his attitude. " —Elmore Leonard " The non-hero: the ruthless, unrepentant, single-minded operator in a humorless and amoral world. . . . No one depicts this scene with greater clarity than Richard Stark. " —The New York Times
