Introducing a befitting 10th anniversary device for the acclaimed S-Series, the Samsung Galaxy S10. A clear departure from the norm, this latest series comes with an Infinity-O screen which displaces the front camera. It also comes with a triple lens camera that gives you that ultra-wide shot. There is an in-screen fingerprint sensor which should meet your secured biometric needs. We love the wireless power feature and definitely the high screen-to-body ratio. This device deserves all the buzz it is getting. It was designed to be a conversation starter and it's really getting tongues wagging. Samsung Galaxy S10 is a little on the high side with its price, but if you're considering value for money, then you've got a choice in the S10. So, here's our manual with fun tips and tricks to help you get the very best from your new device.
