Socks is the name of a character created by Beverly Cleary. He is a young tabby cat with four white paws, and he lives happily with a young married couple, Marilyn and Bill Bricker. The center of the Bricker household, Socks rules it affectionately but firmly. Into this loving home, however, comes another pet.

Socks is one very happy cat. He lives the good life with his nice young owners, Mr. and Mrs. Bricker. They play with him when-ever he wants, feed him special treats, and always pet and scratch him when he curls up in their warm laps. Then a new baby arrives. Suddenly little Charles William is the one get-ting all the love and attention. Socks feels completely left out. To show how he feels about the new addition to the Bricker family, Socks starts getting into all sorts of trouble—with tomcats, phantom dogs, even Nana's best wig. It's not until Socks rescues Charles William from big, big trouble that Socks realizes just how much the Brickers truly want to keep him in the family. Beverly Cleary creates a warm, funny, and relatable story told from a cat's point of view in this purr-fectly delightful book about family and change.

"Chapter questions and answer key ; language & literacy activities ; teacher guide for easy implementation."--Cover.

A classic coming-of-age love story from beloved Newbery Medal winner Beverly Cleary. Sixteen-year-old Shelley Latham longs for her junior year of high school to be different from the stifling sameness of the years before. When she is sent from Oregon to California to stay with friends of the family for the school year, she gets her wish. Right away, Shelley's pretty looks and "Northern" ways endear her to her new classmates, including Hartley, the student body president. Meanwhile, Shelley sets her heart on star basketball player Philip—and when he asks her out, everything seems perfect. Shelley truly is the luckiest girl...but is it Philip or Hartley whom she really loves?

Strider has a new habit. Whenever we stop, he places his paw on my foot. It isn't an accident because he always does it. I like to think he doesn't want to leave me. Can a stray dog change the life of a teenage boy? It looks as if Strider can. He's a dog that loves to run; because of Strider, Leigh Botts finds himself running -- well enough to join the school track team. Strider changes Leigh on the inside, too, as he finally begins to accept his parents' divorce and gets to know a redheaded girl he's been admiring. With Strider's help, Leigh finds that the future he once hated to be asked about now holds something he never expected: hope.

There was nothing Otis Spofford liked better than stirring up a little excitement, particularly at school. A less resourceful teacher than Mrs. Gitler would have found him pretty hard to take. But even Mrs. Gitler did not entirely relish the bullfight at the fiesta arranged for the P.T.A. meeting. Otis was disappointed at not being the toreador, but as the front half of the bull he managed to steal the whole show, to the annoyance of his classmates and his teacher. It was then that Mrs. Gitler suggested that Otis might someday get his comeuppance. Of all Otis's acquaintances, the neat and well-behaved Ellen Tebbits was the one he most enjoyed teasing. Strangely enough, it was Ellen who at last brought about his comeuppance. But before that happens, his losing spitball battle with Mrs. Gitler, his surprising affection for the experimental baby rat, and his insect collecting on behalf of the football hero provide a feast of fun for any child or grownup. Mrs. Cleary's gifts as a writer are many, and her real understanding warms every page of this wonderful story of a "bad boy."

Genuinely funny books for children are few and far between. So when a story like Henry Huggins comes along, it comes to stay. In this irresistible boy's adventures, children everywhere see themselves. During one unforgettable year that begins when Henry discovers a lost, hungry dog he calls Ribsy, readers will have a grand time. Before the suspenseful conclusion, they'll meet Henry's friends on Klickitat Street--including Beezus and her little sister, Ramona--and enjoy lots of funny happenings. No wonder this continuously engaging and heartwarming book is a classic!

Jimmy and Janet are twins, but that doesn't mean they are just alike. When we first meet Jimmy, he wants to dig a real hole. He likes to use a real, grown-up shovel. While he's working, his sister, Janet, pretends to be a bird! She likes to use her imagination. But the twins both like silly jokes, brand- new boots, and talking to Mr. Lemon, the mailman. As Beverly Cleary writes about Jimmy and Janet's doings, the unique understanding of children that she brings to all of her beloved books is coupled with a keen awareness of duo dynamics that comes from raising twins herself. Originally published as four separate picture books (The Real Hole, Two Dog Biscuits, The Growing-Up Feet, and Janet's Thingamajigs), these are stories that a Jimmy would like because they are so true-to-life, and that a Janet would love because they are so believable.
