story? In *Object Lessons*, twenty contemporary masters of the genre answer that question, sharing favorite stories from the pages of *The Paris Review*. Over the course of the last half century, the Review has launched hundreds of careers while publishing some of the most inventive and best-loved stories of our time. This anthology---the first of its kind---is more than a treasury: it is an indispensable resource for writers, students, and anyone else who wants to understand fiction from a writer's point of view.

"Some chose classics. Some chose stories that were new even to us. Our hope is that this collection will be useful to young writers, and to others interested in literary technique. Most of all, it is intended for readers who are not (or are no longer) in the habit of reading short stories. We hope these object lessons will remind them how varied the form can be, how vital it remains, and how much pleasure it can give."—from the Editors' Note

the book explores 50 key works, from the wall paintings of Lascaux to contemporary installations, and then links these to sections on art movements, themes, and techniques. The design of the book allows the student or art enthusiast to easily navigate their way around key periods, artists and styles. Accessible and concise, it simplifies and explains the most important and influential concepts in art, and shows how they are linked. The book explains how, why, and when art changed, who introduced certain things, what they were, where they were produced, and whether they matter. It demystifies artistic jargon, giving readers a thorough understanding and broad enjoyment of art.
