The Fear Street Saga really leveled up the Fear Street franchise as a whole. It gave the town of Shadyside a depth that it didnt have before, and used the historical setting of colonial America to its advantage. I remember The Betrayal better than most of the books I read as a kid, and I think that is because of how shockingly violent it is at turns.

~~R.L. Stine~~ Fear Street is cursed. It's been that way for hundreds of years.

~~Betrayal | Book by R.L. Stine | Official Publisher Page ...~~

R.L. Stine is probably known best for his Goosebumps books (especially since it got turned into a TV show) but he did write some fun books for teenagers. This trilogy is one of them, exploring the family of Fear Street through the generations, all the way back to the first Fiers (Fears) and Goodes in Puritan times.
