Chronicles the efforts of Jōsei Toda, the second president of the Soka Gakkai, to construct this Buddhist organization upon his release from Sugamo Prison at the end of World War II.

Through this novelized history of the Soka Gakkai—one of the most dynamic, diverse, and empowering movements in the world today—readers will discover the organization's goals and achievements even as they find inspiring and practical Buddhist wisdom for living happily and compassionately in today's world. The book recounts the stories of ordinary individuals who faced tremendous odds in transforming their lives through the practice of Nichiren Buddhism and in bringing Buddhism's humanistic teachings to the world. This inspiring narrative provides readers with the principles with which they can positively transform their own lives for the better and realize enduring happiness for themselves and others.

The book recounts the stories of ordinary individuals who faced tremendous odds in transforming their lives through the practice of Nichiren Buddhism and in bringing Buddhism's humanistic teachings to the world. This 1st volume looks at events that occurred in 1960 when Soka Gakkai was first brought to North and South America from Japan. This inspiring narrative provides readers with the principles with which they can positively transform their own lives for the better and realize enduring happiness for themselves and others.

Through this novelized history of the Soka Gakkai—one of the most dynamic, diverse, and empowering Buddhist movements in the world today—readers will discover the organization's goals and achievements even as they find inspiring and practical Buddhist wisdom for living happily and compassionately in today's world. The book recounts the stories of ordinary individuals who faced tremendous odds in transforming their lives through the practice of Nichiren Buddhism and in bringing Buddhism's humanistic teachings to the world. This second volume focuses on the establishment of many new chapters throughout Japan in 1960 as the Soka Gakkai helps hundreds of thousands of new members find new hope. This inspiring narrative provides readers with the principles with which they can positively transform their own lives for the better and realize enduring happiness for themselves and others.

Volume six of a series, this text presents the final installment in the story of the founding of Soka Gakkai, an association of followers of the teaching of the Japanese Buddhist leader, Nichiren Daishonin (1222-82).
