The American And Civil War That Divided Them Chris DeRose
The Presidents' War is written in such a way that it serves not only as an effective Civil War history book, but a quality book on the six presidents. By making them the central characters of the great schism, DeRose gives the reader an understanding of the six men that dwarfs some actual biographies I've read.

Wars by President And Since World War Two. Since World War Two, the United States has had 14 presidents. They all have dealt with an America at war, dealing with varying degrees of conflict. Most of them, such as President Trump, who took office in January of 2017, inherited wars begun or left over from their predecessors.
