The GMAT Word Problems strategy guide demystifies the most challenging of math questions on the GMAT—the word problem. This book equips students with broad, powerful strategies, as well as specific tools, for tackling GMAT word problems in all their various guises. Unlike other guides that attempt to convey everything in a single tome, the GMAT Word Problems strategy guide is designed to provide deep, focused coverage of one specialized area tested on the GMAT. As a result, students benefit from thorough and comprehensive subject material, clear explanations of fundamental principles, and step-by-step instructions of important techniques. In-action practice problems and detailed answer explanations challenge the student, while topical sets of Official Guide problems provide the opportunity for further growth. Used by itself or with other Manhattan Prep Strategy Guides, the GMAT Word Problems strategy guide will help students develop all the knowledge, skills, and strategic thinking necessary for success on the GMAT. â€Purchase of this book includes one year of access to Manhattan Prep's Word Problems Question Bank. All of Manhattan Prep's GMAT Strategy Guides are aligned with the GMAC Official Guide, 2016 edition .
